

Music Ensemble Program Fall Concert

Saturday, November 21st, 3:00 pm

West University Baptist Church, Sanctuary
6218 Auden St., Houston, TX 77005

Dress Rehearsals

We will not have regular classes on the morning of the concert. Instead, there will be dress rehearsals in the early afternoon, where each group will rehearse in the Sanctuary. All performing students are required to attend their dress rehearsal. Please see back for the schedule and concert repertoire.

Attendance

Invite your family and friends to attend this free performance! All group classes and chamber groups will be performing. Students should plan to attend the entire concert, which should end by 4:10 at the latest. All audience members and students are invited to attend the reception in the lobby afterwards.

Young Audience Members

For parents with very young children in attend, please understand that the students have worked very hard for this concert and many audience members videotape the performances. If your child has trouble sitting quietly, please escort them out of the Sanctuary immediately. For this reason, parents with young ones are advised to sit near the back of the Sanctuary in case they need to exit quickly.

Dress for Performers

Boys: Formal button-down shirt of any color (short or long sleeves), Long slacks.

Girls: Formal dress or nice top with formal slacks/skirt, preferably knee-length or longer. Please wear nice shoes; no sneakers or informal clothes. Come dressed in your concert clothes for the afternoon dress rehearsals.

Reception

Please bring a “finger-food” dish for the reception. Dishes may be left in the first-floor lobby near the elevator. Thank you!

Videotaping

Videotaping is permitted, but you must obtain permission from all performers involved if you intend to post your performance on a website with public access.
