Pre-registration non-refundable Fee \$50 to hold your child's spot in the class by May 1, 2016. The remaining tuition will be due the 1st day of the intensive chosen. Intensives subject to cancel if 3 or more do not sign up for the intensive. Pre-Registration fee can be applied to any other intensive during the summer 2016 but not refunded. Pre-registration on line or send e-mail for physical address. Any bounced checks will be a \$30 additional charge. Greenviolinstudio@hotmail.com/ 801-671-9529
 All submissions are required to send an MP3 recording of a scale of the student's choice and 15-25 measures of a current solo or orchestra piece. You can record this off your phone and send to the above e-mail.

Green Summer Violin Intensive Class List: All students may take more than one intensive

6th Grade Prep & Beginning Violin Class (\$200): This is an introduction to violin class. Students will learn proper bow hold and how to hold a violin, Orchestra posture, Music theory (note reading, ear training, and more) Your child will be using a real instrument or bow by the end of camp. Your child will need an instrument for these classes. To find an instrument, please take your child to be sized for a violin at one of the following shops to either purchase or rent. It is highly recommended NOT to purchase an instrument at Amazon, e-bay, pawn shop type facility.

Fishburn Violin Shop: 11435 Spring Cypress Tomball

Amati Violin Shop: 2315 University Blvd Houston

Gold Violin Shop: 7010 Mapleridge St Houston

Lisle Violin Shop: www.violins.com several locations

Suzuki Book 1 Intensive or Suzuki Book 2 Intensive: (\$150 by May 1 per intensive) Either intensive is meant for those students currently studying in the Suzuki Books. Depending on the Book level your child is in, will determine what intensive to sign them up for. Students will have fun playing games while playing Suzuki Book review. Technique & music theory skills will be reinforced by games and all students will learn a new piece by the end of the session.

Middle School Chamber Prep: Middle School Orchestra students preparing for the Chamber class at their school will review essential scales, arpeggios, exercises, vibrato and shifting. Sight reading chamber music and other music theory skills will be challenged. All students will learn a new piece by the end of the session.

High School Prep: This intensive is meant for those students entering High School who would like to refresh and improve their individual skills. Will work on 3 octave scales, arpeggios, shifting, vibrato, sight reading, chamber music and more. Will also include music theory games.

High School Region Intensive: This intensive is meant for High School Students looking to improve their Region Audition pieces for Fall 2016. This is an economic and local option rather than an over night state camp. Music theory, review of higher violin techniques such as shifting, vibrato, 3 octave scales and more will be challenged.
