STXSA Chapter Affiliate Report Due on Jan. 20th

- Important information from the email I received: *In the next 1-2 months, you can expect to see a new section of the website specifically for Chapter Leaders, which will allow you to have a bit more functionality, including the ability to verify member status for your members, pay annual dues, create & submit events, access prospective member lists, and request emails from the SAA team. In addition, you will have the option and ability to have your member fees & dues go directly through the SAA. In other words, when someone in your chapter area goes to check out when purchasing their SAA membership, they'll have the option to add a membership to your chapter.*
- I need the current membership list in the following files: member names and email addresses in CSV or Excel format.
